GRATUITIES (TIPPING)

Gratuities or tipping for services such as for service received in a restaurant or to a taxi driver are common in the United States. The standard amount of a tip is usually 15%-20% of the service provided. In Hawai'i, tipping is not automatic, therefore you should always receive change for a bill that you have paid unless you gave the exact amount or unless you specified that the waitress or taxi driver should keep the change.

CONFERENCE ATTIRE

The basic attire for the conference including the Opening Ceremony, Welcoming Dinner Reception and Aloha Dinner is Smart/Casual, which can include aloha attire. Women can wear dresses, blouses, skirts, covered shoes, sandals, trouser suits, blouse/trouser combinations or their own country attire. Men can wear sport shirts, aloha shirts, and slacks with covered shoes or their own country attire. It is NOT appropriate to wear shorts, t-shirts or slippers/flip flops. Due to the warm weather, business suit with tie and lounge suit are NOT recommended.

WEATHER

Average Honolulu temperatures are approximately 29 degrees Celsius or 85 degrees Fahrenheit during the day and about 27 degrees Celsius or 80 degrees Fahrenheit in the evening. Because the conference rooms are air conditioned, you may want to pack a sweater or light jacket. Also it is always useful to pack a small umbrella.
