

VERIFICATION OF FUNDS FOR EXPENSES BEYOND THE SCHOLARSHIP Name: _____

The East-West Center Graduate Degree Fellowship provides substantial funding for educational costs and living expenses toward Master's and Doctoral degree studies, as noted in Column A of the table below.

Applicants need to prepare for additional living expenses for food and other personal expenses beyond the scholarship, estimated at \$400 US per month, or \$4,800 per year. In addition, applicants need to budget for round-trip airfare.

The Center strongly encourages applicants to seek financial support from other institutions, funding agencies or personal funds well in advance, to prepare to cover the flight and estimated additional costs. Employment for East-West Center Graduate Degree Fellows is allowed when authorized by the Center and normally would not exceed 12 hours per week, except during official school breaks and vacations. For international fellows, the nature of the employment must meet J-1 visa requirements. To provide time to explore supplemental funding opportunities, this form can be completed and returned by February 12, 2010.

Contact scholarships@eastwestcenter.org to inquire about the balance of tuition due, if any.

Explain why you would need additional East-West Center support.
