Part II

United States Information Agency

Revised Exchange-Visitor Skills List; Notice
UNITED STATES INFORMATION AGENCY

Revised Exchange-Visitor Skills List

SUMMARY: The Exchange-Visitor Skills List which follows incorporates all previous revisions and amendments still in effect, and has been developed after consultation with foreign governments.

DATING: In order to provide time for the dissemination of this list to Foreign Service posts abroad and to interested persons and organizations in the United States, the following Exchange-Visitor Skills List shall become effective March 17, 1997.

FOR FURTHER INFORMATION CONTACT: Stanley S. Colvin or William G. Ohlhausen, Assistant General Counsels, United States Information Agency, Suite 2448 Federal Register

Pursuant to the provisions of section 212(e) of the Immigration and Nationality Act, as amended (8 U.S.C. 1182(e), and 22 CFR 41.65(b), the Secretary of State designated on April 25, 1972, and revised on February 10, 1978, a list of fields of specialized knowledge or skills (referred to as the Exchange-Visitor Skills List) and those countries which clearly required the services of persons engaged in one or more of such fields. Any alien who was a national or resident of one of those countries and obtained an exchange-visitor visa and/or became a participant in an Exchange-Visitor Program involving a designated field of specialized knowledge or skill after the effective date of those public notices was subject to the two-year foreign residence (home-country physical presence) requirement of section 212(e) of said Immigration and Nationality Act as provided by said section and 22 CFR 41.65(b).

Pursuant to the provisions of Reorganization Plan No. 2 of 1977, section 217 of the United States Information Agency Authorization Act of August 24, 1982 (Pub.L. 97-241) and Executive Orders Nos. 12038 of March 27, 1978 and 12388 of October 14, 1982, the Director, United States Information Agency, further revised the 1972 Exchange-Visitor Skills List prior to said effective date shall continue to be governed by the 1972 Exchange-Visitor Skills List, as amended. The Skills Lists have been developed after consultation with foreign governments, USIA area offices, USIS posts abroad, and with the assistance of foreign services officers assigned to USIA's Office of the General Counsel, Waiver Branch, Exchange Visitor Program Services.

Les Jin,
General Counsel.

The Revised Exchange-Visitor Skills List appears as follows:

Revised Skills (Master)

Group (1). Fields in the Administration of Public or Public-Oriented Affairs:
1A. Public Administration (including, but not limited to: City Planning, Urban Studies/Planning, Urban Transportation, and Public Health)
1B. Public Social Administration (including, but not limited to: Welfare, Dietetics, Nutrition, Family Planning and Public Health)
1C. Public Social Services
1D. Sanitation
1E. Drug Abuse and Narcotics Control
1F. International Health
1G. Tourism and Travel
1H. Law Enforcement and Corrections (including, but not limited to the Administration of Justice)
1I. Parks and Recreation Management (including, but not limited to Wildlife Management)
1J. Primary School Administration
1K. Secondary School Administration
1L. College, University and Higher Education Administration
1M. Technical or Vocational School Administration
1N. Hospital Administration
1O. Labor Union Administration

Group (2). Fields in the Medical Profession:
2A. General Practice of Medicine (including Osteopaths who also practice Medicine)
2B. Recognized Medical Specializations (including, but not limited to: Anesthesiology, Audiology, Cardiography, Cardiology, Dermatology, Embryology, Epidemiology, Forensic Medicine, Gastroenterology, Hematology, Immunology, Internal Medicine, Neurological Surgery, Obstetrics and Gynecology, Oncology, Ophthalmology, Orthopedic Surgery, Otolaryngology, Pathology, Pediatrics, Pharmacology and Pharmaceutics, Physical Medicine and Rehabilitation, Physiology, Plastic Surgery, Preventive Medicine, Proctology, Psychiatry and Neurology, Radiology, Speech Pathology, Sports Medicine, Surgery, Thoracic Surgery, Toxicology, Urology and Virology)
2C. Veterinary Medicine
2D. Emergency Medicine
2E. Nuclear Medicine
2F. Geriatrics
2G. Nursing (including, but not limited to registered nurses, practical nurses, physician's receptionists and medical records clerks)
2H. Medical Instruments and Technology
2I. Dentistry
2J. Dental Technology
2K. Optometry
2L. Chiropractic and Osteopathy (not including Osteopathic Physicians who also practice Medicine)
2M. Medical Cybernetics
2N. All Therapies, Prosthetics and Healing (except Medicine, Osteopathy or Osteopathic Medicine, Nursing, Dentistry, Chiropractic and Optometry)
3O. Medical Statistics and Documentation
3P. Cancer Research
3Q. Medical Photography
3R. Environmental Health
3S. Medical Research

Group (3). Fields in Computer Science and Related Professions:
3A. Computer Science
3B. Information Science and Systems Analysis
3C. Data Processing (including, but not limited to the use of data in analyzing census financial planning and feasibility studies)
3D. Computer Programming
3E. Computer Maintenance Technologies

Group (4). Fields in Engineering and Related Professions:
4A. Aerospace Engineering
4B. Cartography
4C. Chemical Engineering
4D. Civil Engineering (including Airport Engineering)
4E. Communication Engineering
4F. Computer Engineering and Technologies
4G. Electrical Engineering
4H. Electronic Engineering (including Radio Engineering)
4I. Energy Engineering and Technology (but not including Petroleum and Natural Gas Engineering and Technology)
4J. Genetic and Biomedical Engineering
4K. Industrial Engineering
4L. Marine and Aeronautical Engineering and Technology (including, but not limited to: Marine and Flight Engineers)
4M. Materials Engineering and Sciences (including, but not limited to: textiles, plastics, wood, paper and metal, but not including Metal Fabrication)
4N. Mechanical Engineering (including, but not limited to: systems,
safety and production engineers, and
including Automatic Data Processing)
4Q. Mining and Lumbering
Engineering and Technology
4P. Navigation and Transportation
Engineering
4Q. Optical Engineering (including, but not limited to light and sound
technology)
4R. Petroleum and Natural Gas
Engineering and Technology
4S. Printing and Photographic
Engineering and Technology
4T. Surveying (including
Oceanography)
4U. Agricultural Engineering
4V. Nuclear Engineering
4W. Natural Resource Management
Engineering (including but not Limited
to Water Resource Management)
4X. Environmental Engineering
Group (5). Fields in the Natural
Sciences and Mathematics:
5A. Chemistry (including all branches
and specialties in Chemistry, except in
Pharmacy and Chemical Engineering)
5B. Life Sciences (including, but not limited
to Pharmacy and Biology)
5C. Study of Drugs and Allied
Sciences
5D. Optics and Physics (including
physical chemists, metallurgists and all
branches and specialties in Physics)
5E. Genetics
5F. Mathematics
5G. Laboratory Technology
(including, but not limited to physical and
chemistry laboratory technicians)
5H. Metal Fabrication (including, but
not limited to skilled metal crafts
workers)
5I. Atmospheric-Hydrospheric
Sciences (including but not limited to
Marine Science, Meteorology and
Oceanography)
5J. Astronomy and Space Technology
5K. Repair and Maintenance
Technology
5L. Agriculture and Agronomy
(including, but not limited to
veterinarians, plant pathologists,
poultry and dairy scientists, animal
husbandry and animal nutrition)
5M. Food Science and Technology
5N. Zoology (including Animal
Behavior and Physiology)
5O. Forestry
5P. Fisheries (or other Marine
Products)
5Q. Geology (including all branches
and specialties, e.g. Oceanology, and all
branches of Applied Geology including
geophysicists and geochemists)
5R. Hydrology (including, but not
limited to Water Pollution)
5S. Environmental Protection (including Conservation)
5T. Desalination
5U. Population Studies
5V. Botany
5W. Entomology
Group (6). Fields in the Social Sciences:
6A. Sociology (except Economics and
including Criminology)
6B. Psychology (including, but not
limited to Psychometrics, Child
Psychology and Psychobiology)
6C. History (including Art History)
6D. Philosophy (including
Humanities)
6E. Anthropology and Archaeology
6F. Demography
6G. Government and Politics
(including, but not limited to
International Relations)
6H. Economics
6I. Literature
6J. Instructional Media and
Technology
6K. Fine Arts (including, but not
limited to Music, Theater, Sculpture,
Motion Picture Arts and Sciences, and
Photography)
6L. Estate Management
6M. Linguistics
6N. Law (including Judicature and all
branches and specialties in the practice
of Law, except in Law Enforcement)
6O. Theology
6P. Cultural Diversity (including, but
not limited to Women's, Minority,
Ethnic and Area Studies)
6Q. Fashion and Textile Design
6R. Graphic Design
6S. Geography
6T. Home Economics
6U. Language Studies
Group (7). Fields in the Study and
Practice of Education:
7A. Teaching and Religious Education
7B. Educational Testing, Evaluation
and Measurement
7C. Primary School Teaching
(including, but not limited to Nursery
Schools and Kindergartens)
7D. Secondary School Teaching
(including, but not limited to Remedial
Teaching and Teaching of English as a
Foreign Language)
7E. Vocational and Technical School
Teaching
7F. College and University Teaching
in Natural Sciences, Mathematics,
Engineering and Technology (except
Agriculture)
7G. College and University Teaching
of Social Sciences, Liberal Arts and
Literature (including Foreign Language
Education)
7H. College and University Teaching
of Education
7I. College and University Teaching of
Business
7J. Agricultural School Teaching
7K. Education of the Physically
Handicapped (including Education of
the Mentally Retarded and Emotionally
Disturbed)
7L. Education of Exceptional Children
7M. Physical Education and
Recreation (including, but not limited to
Coaching)
7N. Teaching in Medical Schools
(including, but not limited to lecturers)
7O. Teaching in Law Schools
(including, but not limited to lecturers)
7P. Career Guidance and Counseling
7Q. Camp Counselor
7R. Educational Technology
(including Instructional Systems Technology)
7S. Educational Psychology
7T. Curriculum Planning
Group (8). Fields in Communication,
Transport and Construction Professions
and Skills:
8A. Journalism (including, but not
limited to editors and reporters, and
including text-book writers, interpreters
and translators)
8B. Communication Media (including
Television and Film)
8C. Electrical Communication
Technology
8D. Radio Operation
8E. Airplane Piloting (including, but
not limited to Airline Piloting)
8F. Merchant Marine
8G. Architecture (including Marine
Architecture)
8H. Construction (including but not
limited to builders, but not including
skilled and unskilled laborers)
8I. Construction-Project Management
8J. Drafting
8K. Skilled Operation of Construction
Machines
8L. Telecommunications
Group (9). Fields in Business:
9A. Industrial and Business
Administration and Management
(including, but not limited to:
programmers and Project Evaluation,
Business, Total Quality Management)
9B. International Business and
Commerce
9C. Industrial Organization
9D. Labor and Industrial Relations
9E. Economic Development and
Planning (including Rural Development)
9F. Economic Information Analysis
(including, but not limited to
Management Studies)
9G. Accounting
9H. Cybernetic Technology
9I. Statistics
9J. Insurance (including Actuaries)
9K. Administration of Financial
Institutions (including, but not limited to
Savings and Loan Organizations and
Credit Unions)
9L. Financial Planning
9M. Operations Research
9N. Banking

2G. Nursing (including, but not limited to registered nurses, practical nurses, physician's receptionists and medical records clerks)

2H. Medical Instruments and Technology

2I. Dentistry

2J. Dental Technology

2K. Optometry

2L. Chiropractic and Osteopathy (not including Osteopathic Physicians who also practice medicine)

2N. All Therapies, Prosthetics and Healing (except Medicine, Osteopathy or Osteopathic Medicine, Nursing, Dentistry, Chiropractic and Optometry)

Argentina

Group (1)

1A. Public Administration (including but not limited to: City Planning, Urban Studies/Planning, Urban Transportation, and Public Health)

1B. Social Public Administration (including, but not limited to: Welfare, Dietetics, Nutrition, Family Planning and Public Health)

1E. Drug Abuse and Narcotics Control

1J. Primary School Administration

1K. Secondary School Administration

1L. College, University and Higher Education Administration

1M. Technical or Vocational School Administration

1N. Hospital Administration

Group (2)

2C. Veterinary Medicine

Group (3)

All fields listed in part I.

Group (4)

4E. Communication Engineering

4H. Electronic Engineering (including Radio Engineering)

4J. Genetic and Biomedical Engineering

4L. Marine and Aeronautical Engineering and Technology including, but not limited to: Marine and Flight Engineers

4U. Agricultural Engineering

4W. Natural Resource Management Engineering (including but not limited to Water Resource Management)

4X. Environmental Engineering

Group (5)

5A. Chemistry (including all branches and specialties in Chemistry, except in Pharmacy and Chemical Engineering)

5B. Life Sciences (including, but not limited to: Pharmacy and Biology)

5D. Optics and Physics (including Physical Chemists, Metallurgists and all branches and specialties in Physics)

5E. Genetics

5F. Mathematics

5G. Laboratory Technology (including, but not limited to: Physical and Chemistry Laboratory Technicians)

5L. Atmospheric-Hydrospheric Sciences (including but not limited to: Marine Science, Meteorology and Oceanography)

5L. Agriculture and Agronomy (including, but not limited to: Veterinarians, Plant Pathologists, Poultry and Dairy Scientists, Animal Husbandry and Animal Nutrition)

5M. Food Science and Technology

5P. Fisheries (or other Marine Products)

5Q. Geology (including all branches and specialties, e.g. Oceanology, and all
branches of Applied Geology including Geophysicists and Geochemists
5R. Hydrology (including, but not limited to Water Pollution)
5S. Ecology and Environmental Protection (including Conservation)
5T. Desalination
5U. Population Studies

Group (6)
  6J. Instructional Media and Technology
  6M. Linguistics

Group (7)
  7B. Educational Testing, Evaluation and Measurement
