Looking back and thinking forward: Spring Wednesday Evening Seminar Final Session

Wednesday, April 21, 2010
6:30 – 8:30 p.m.
Garden Level, Imin International Conference Center

The final session will encourage participants to recollect, share, and consider new approaches for future seminars. This session will give discussion groups an opportunity to look back on previous sessions to reflect on the insights and understanding gained through presentations and conversations throughout the semester. After a discussion period, WES participants will complete an evaluation in which we welcome speaker and thematic suggestions for future WES sessions. Following the discussion and evaluation session, we will hold a dinner party for all WES participants to enjoy.

Dinner will be served. *Please bring your own eating utensils and beverage container.

Mahalo!
