1. **Guest/Audience Registration:**

Please use the link ([https://whova.com/portal/registration/igsc\\_202102/](https://whova.com/portal/registration/igsc_202102/)) for conference registration (free).

**Note: Presenter, Moderators, and Active Participants for IGSC 2021, please skip this step. You might have been registered by IGSC Organizers.**

2. After you have registered, you will receive an email from Whova with instructions for logging into the EWC IGSC 2021 Website in Whova ([https://whova.com/portal/webapp/igsc\\_202102/](https://whova.com/portal/webapp/igsc_202102/)). Please click “Sign up here” and create your account **with the email address you used when registering for the event**. After logging in, you will automatically be led to the conference site.

3. **Please edit your profile** (optional). Other attendees can use this to network with you if you chose to be included in the attendee list.

The image shows a composite of two screenshots from the Whova website. The left screenshot is a 'Sign in using your Whova account' form with fields for Email and Password, a 'Sign in' button, and a link for 'Forgot your password?'. Below the form, it says 'If you have not have an account yet, please use "Sign up here" with the email address you registered for our conference.' and 'Don't have an account? Sign up here'. The right screenshot shows the Whova website interface for IGSC 2021. It features a navigation menu on the left with links like Home, Agenda, Attendees, Community, Posters, Messages, Session Q&A, Video Gallery, Polls, Twitter, and Whova Guides. The main content area has a large graphic with the text 'lei of knowledge' and '20th International Graduate Student Conference'. A red arrow points to the 'My Profile' button in the top right corner, which is highlighted with a red box. Below the arrow, text reads: 'Please EDIT YOUR PROFILE (click on your name), so people get to know you and network with you!'. At the bottom, there is a notice about the conference date and location.

**Non-technical summary**

Organizations are facing increasing pressures from the institutional environment to the aspects of a learning organization within their arsenal (Child, & Tsai, 2005; Greenwood, Raynard, Kodeih, Micelotta, & Lounsbury, 2011). Various social and cultural pressures have impacts on the organization to adopt different strategies that are necessary for an organization to become a learning organization, but little attention is paid to the relationship of IE with LOC. A mixed-method approach was used to collect data from the respondents. In this study, we observed that the IE of developing countries is completely different from elsewhere. Therefore
