

# Bryan Bushley

2000s Alumnus

Dr. Bryan Bushley received his Ph.D. in Urban and Regional Planning from the University of Hawai'i at Mānoa, where he studied as an EWC Graduate Degree Fellow and Student Affiliate from 2008 to 2015. He welcomed and embraced all cultures, and spoke five foreign languages: Russian, Nepali, Spanish, French, and Greek. He developed a special love for Nepal, where he lived for two years while conducting fieldwork research. His dissertation, "Seeing the forest for the service: The globalization of ecosystem services and decentralized forest governance in Nepal", investigated possibilities for collaboration between developing and developed nations for global carbon pollution offsetting. He passed away in June 2016, eleven months after being diagnosed with brain cancer (glioblastoma). His sweet disposition, enthusiasm, and adventurous spirit are missed by his family and his EWC 'ohana.
