

Puongpun and Thanh-Lo Sananikone

1960s Alumni

Puongpun and Thanh-Lo were EWC grantees in the 60's where they met and later married. In July 2008, Puongpun became the first EWC alumnus to be elected chairman of the EWC Board of Governors (and was re-elected in 2009). Both were recipients of the EWC 2014 Distinguished Alumni Award. Puongpun currently provides business and philanthropic project development services to international clients with focus on China, Vietnam and other ASEAN nations. Thanh-Lo is the owner and managing director of TAF International Inc., an import-export & consulting company established in 1985.
