

Trudy and Alvin Wong

Friends of the East-West Center

Alvin & Trudy Wong owe a debt of gratitude to EWC Alumna Betty Bullard who introduced them to Dean Sumi Makey. Sumi recruited them to the Host Family program in 1976 & Trudy to the FEWC Board (where she served three terms as President), & nominated them to the Wall of Honor. They were honored as outstanding volunteers at the Centers 50th Anniversary. When Alvin was named “Happiest Person in America,” he attributed his happiness to time shared with his son, daughter & the EWC participants. The Al and Trudy Wong Endowed ‘Ohana Scholarship was established with the groundwork laid by many students they hosted.
