

Sharon F. Yamamoto

Former EWC Staff

Sharon loved Mānoa Valley. While her scholarly journey included 2 masters degrees from the University of Hawai'i and three years as a Ph.D. candidate at the University of Chicago, it was the East-West Center where Sharon found home. Her contribution as a Publications Editor was her work and the people in her department and the Center were her love. Sharon was an athlete, completing six Honolulu Marathons, an artist, a loving wife, daughter, sister and friend. Sharon's family and friends are touched by the continued support from EWC and this Wall of Honor.
