PHS Financial Disclosure (Form 1) (Financial Interests Related to Institutional Responsibilities)

1. Any person who is responsible for the design, conduct, or reporting of the PHS-funded research project must submit the PHS Financial Disclosure (Form 1) at the time of proposal submission.
2. The Conflict of Interest (COI) staff will contact Investigators who have disclosed any significant financial interests (SFI) to request the submission of the PHS Financial Disclosure (Form 2). The COI Designated Official will review Form 2 to determine whether or not the disclosed SFI is related to the research project.
3. The COI Staff will contact the Investigators who have SFI related to the PHS-funded research project to request the submission of PHS Financial Disclosure (Form 3) for Conflict of Interest Committee review.
4. The Conflict of Interest Committee will consider whether the Investigator's SFI could directly and significantly affect the design, conduct, or reporting of the PHS-funded research project. Please allow sufficient time for Committee review.
5. Submission of PHS Financial Disclosure (**Form 1**) is **required (i) on an annual basis for non-competing continuation awards, (ii)** when a new Investigator is added to the project, or **(iii)** when an Investigator's financial interests increase, whichever comes first. It is also required when an Investigator transfers PHS-funded research to the East-West Center.

Who is considered an "Investigator," and therefore required to disclose? "Investigator" means the project director or principal investigator and any other person, regardless of title or position, who is responsible for the design, conduct, or reporting of research funded by the PHS (e.g., NIH), or proposed for such funding.

What is an entity? Entity means any domestic or foreign, public or private, organization (excluding a Federal agency) from which an Investigator (and spouse and dependent children) receives remuneration or in which any person has an ownership or equity interest.

What is a "Significant Financial Interest"? A significant financial interest consisting of **one or more** of the following interests of the Investigator (and those of the Investigator's spouse and dependent children) that reasonably appears to be related to the Investigator's institutional responsibilities:

1. With regard to **any publicly traded entity**, any income received from entity in 12 months preceding disclosure and value of any equity interests in entity as of date of disclosure exceeding \$5,000 when aggregated for an Investigator, Investigator's spouse, and dependent children from a single Entity (Business, Public or Nonprofit) including salary, consultant payments, honoraria, royalty payments, dividend, loan, or any other payments or consideration with value during the prior twelve months. Equity interest includes any stock, stock option, or other ownership interest, as determined through reference to public prices or other reasonable measures of fair market value;
2. With regard to any **non-publicly traded entity**, any remuneration received from entity in 12 months preceding disclosure, when aggregated, exceeds \$5,000; or when Investigator holds any equity interest (e.g., stock, stock option, or other ownership interest). Exclude income from seminars, lectures, or teaching engagements sponsored by a U.S. Federal, state, or local government agency, an institution of higher education as defined at 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an Institution of higher education;
3. Intellectual property interest held by the Investigator, or Investigator's spouse or dependent children on a patent, patent application, or a copyright of software assigned or to be assigned to a party other than the Center upon receipt of income related to such rights and interests that exceed \$5,000 in 12 months preceding disclosure.
4. Any reimbursed or sponsored travel in excess of \$5,000 per entity in the 12 months prior to disclosure (i.e., that which is paid on behalf of Investigator and not reimbursed to Investigator so that the exact monetary value may not be readily available), related to the Investigator's institutional responsibilities. Excludes travel reimbursed or sponsored by a U.S. Federal, state, or local government agency, an institution of higher education as defined by 20 U.S.C. 1001(A), an academic teaching hospital, a medical center, or a research institute affiliated with Institution of higher education.

What is not a "Significant Financial Interest"? Significant financial interests do **not** include (1) payments made by the Center (salary, royalties, honoraria, expense reimbursement or any other remuneration) or (2) income from seminars, lectures, or teaching engagements sponsored by a U.S. Federal, state, or local government agency, an institution of higher education as defined at 20 U.S.C. 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an Institution of higher education or (3) an investment by a mutual fund, pension fund or other investment fund over which the investigator or his/her immediate family member does not exercise management of fund investment.

What are institutional responsibilities?

"Institutional Responsibilities" is defined as teaching/education, research, outreach, clinical service, training, and public service on behalf of the Center or directly related to those credentials, expertise and achievements upon which the Investigator's East-West Center position is based.
