

**EWCA HAWAII CHAPTER ANNUAL FUNDRAISER DINNER
APRIL 28, 2019 AT THE PACIFIC CLUB**

I would like to personally invite Hawaii EWC Alumni, Associates and Friends to gather and strengthen our friendships within an ever-growing EWC global community! Please join us for an enjoyable evening of socializing with all of your EWC friends, both old and new!

This year we will honor:

Former EWC Dean of Education **Mary Hammond** as the recipient of our annual EWCA Hawaii Chapter Outstanding Service Award.

Mary Hammond retired from the East-West Center in Fall 2017, after serving as Dean of Education for ten years, followed by two and a half years as Dean and Interim Director of the Education Program. During that time, she worked with dynamic staff and student leadership teams, and 400-600 student participants each year.

During Mary's tenure at the Center, she participated in the expansion of the number of funding streams and pathways to the student programs, including international funding partnerships, competitive grants, as well as scholarships made possible by generous individuals and alumni chapters such as the Hawai'i Chapter's summer travel grants. With each new funding stream and scholarship came competitive application cycles to identify deserving students who would bring positive impact to their communities in the years ahead. One of Mary's greatest joys at the Center was interacting with the vibrant student community and observing their personal and professional growth during their time at the Center; most notably, their willingness to be brave in taking on student leadership roles for planning the many enriching gatherings held at the Center.

The EWCA-Hawaii Chapter uses funds raised from this event to go towards providing EWC student travel scholarships that enable students to attend professional conferences. Please support the Hawaii Chapter and their mission with your attendance or donation!
